

ABOUT

THE SUMMER COURSE

As we transition to Agromaritime 5.0, progress must be rooted in social equity. This summer course explores the vital intersections of gender justice, child protection, and family resilience. Join us to build a more inclusive society that thrives through digital and global transformation.

Kota Tua Jakarta 2

COURSE STRUCTURE

This course utilizes a case-based learning system, delivering content through interactive lectures, professional discussions, field visits, collaborative group work, and final presentations. The curriculum is designed to explore the following **key areas**:

- 1

GLOBAL SOCIAL LANDSCAPE OF AGROMARITIME 5.0
Analyzing the multifaceted challenges faced by women and children in agromaritime communities amidst global social, climate, economic, and digital transformations
- 2

MIGRATION AND FAMILY DYNAMICS
Examining how transnational and domestic migration affects family structures, caregiving arrangements, intergenerational relationships, and child well-being
- 3

DESIGNING INCLUSIVE COMMUNITY PROGRAMS FOR WOMEN AND CHILDREN
Practical strategies to enhance access to education, sustainable livelihoods, healthcare, and community-based protection resources
- 4

CLIMATE CHANGE, FAMILY RESILIENCE, AND WOMEN-CHILD VULNERABILITY
Assessing the impacts of climate stress, natural disasters, and food insecurity on the mental and physical well-being of women and children
- 5

INTERGENERATIONAL DYNAMICS: NAVIGATING THE VALUE GAP IN MODERN FAMILIES
Understanding the "Generation Gap" in modern families and strategies for harmonizing traditional values with modern progress
- 6

FORMS AND RISK FACTORS IN CHILD ABUSE
A deep dive into the various forms of abuse and the environmental or digital factors that increase risk for children
- 7

PREVENTION AND INTERVENTION IN CHILD PROTECTION
Strategic approaches to early intervention and the implementation of robust protection systems

LEARNING APPROACH

-  Interactive Lectures
-  Collaborative Group Work
-  Debate & Role Play
-  Field Visits
-  Exhibition & Final Presentations

EMPOWERING FUTURES:

GENDER JUSTICE AND CHILD PROTECTION IN AGROMARITIME 5.0 TRANSFORMATION

Building Inclusive and Resilient Futures

-  **INTERDISCIPLINARY
COLLABORATION**
-  **SUSTAINABLE
FUTURES**
-  **INNOVATION FOR
IMPACT**
-  **INCLUSIVE &
EQUITABLE**
